

Key Features

- Large 10 Digit Angled LCD Display
- Modern White Finish
- Cost/Sell/Margin Keys
- Conversion Function
- Automatic Tax Keys
- Twin Power (Solar/Battery Backup)

10 digit professional desktop calculator is perfect for business professionals at home or in the office. The EL-330WB is finished in a modern white design and features a large angled LCD display and durable plastic keys. Cost/sell/margin keys make for quick and easy profit margin calculations (simply enter two variables and the third automatically appears). Other functions include: currency conversion functions, automatic tax keys, percent key, backspace key, 4 key independent memory, extra-large plus key, sign change, and automatic power down. Operates on twin power (solar/battery backup).
